

LECTURE COMMITTEE APPLICATION

Application is due by 4:00 PM on Friday, February 24
to the Center for Student Involvement & Leadership (145 IMU).

About the Committee

The Presidential Charter Committee on Lectures is a small group of students (seven), faculty, and staff members that selects and arranges for prominent individuals to speak at the University of Iowa. Our events range from funny to thought provoking to inspirational; but we always aim to stimulate conversation on an important topic within the University of Iowa community.

Student Committee Member duties: weekly committee meetings, weekly planning meetings with the committee advisor, minimum two office hours/week, work as a team with other members to produce successful public events, and communication with lecture agencies as needed to book speakers. No previous experience is necessary. We highly encourage all students to apply.

In addition to the above, each student member will take the lead for at least one lecture. This affords each student the opportunity to plan the itinerary for a visit, lead the committee in arranging logistics, manage media relations, work with other organizational sponsors and co-hosts, and much more.

Lecture Committee Chair Duties

Organize and lead all lecture committee meetings, serve as the first point of contact for potential partners, and serve as an administrative liaison for the UI campus and community. The person selected for this position will have superior communication and organizational skills, be adept at public relations, be able to work with diverse and potentially controversial issues, possess a strong work ethic, and be dedicated to ensuring the ongoing success of the committee.
