

## **Sustainability Meeting Minutes**

### **10.9.2012**

#### **-10000 Hour Show**

They were emailed to work with setting up the volunteer database. No response yet

#### **-Clear Containers**

This is being pushed through with the goal that organizations will use their own volunteers instead of having ones provided.

#### **-Other Ideas That Can Be Worked On**

Reusable bags and Recycling on the T. Anne Cleary Walkway, Decrease use of pesticides on green spaces, composting, motion sensor lights, working with UI garden, bicycle culture, involving foreign exchange students.

#### **-Sustainability Summit**

We wanted to start trying to have two summits a year, one for the fall semester and one for the spring semester

Continue to have it from 9am-2pm or 3pm.

Get ARH to come to the next meeting

Expand more to outside of sustainable groups, such as Environmental Science majors

This year the goal is to create a committee from the sustainable organizations from the forum and select an idea/goal to accomplish

Startup social networking sites for events.

**The first summit meeting will hopefully be the first week of December so therefore we need to prepare now. We need everyone to send 1-3 ideas to Patrick so that we can have an idea of what we want to do for the first summit. It would be best if this could be done before October 30th, the sooner the better. Afterwards, the list of participants for the Summit will be divided and each of us will contact them about the Summit.**
