

## Diversity Committee Meeting

11/13/12

What events did we learn new things about each other from?

1. Jostna -ASA dance festival
2. Celina – aldi, 260 people,
3. Christian – Take back the night
4. Sauvik – Cultural Ball

Who is the next secretary? CELINA CARR!!!!!!!!!!!!!!

Dalton Drahos is a new member of the Diversity Committee, representing the American Indian student association

Responded to the Google Doc within 24 hours yay! Celina!

The things that we are going to attempt to work on are:

1. Diversity Summit
2. Bus stop in front of cultural centers
3. Help the orgs that are working on the formal (Sauvik and Jostna)
4. Global Village Convenience Store
5. Promote the culture houses

Outside of the summit and the formal, the other two are new ideas so brainstorming is a must.

If there are some other things on the list that you wanted to work on do it. If it's low intensity, promote the cultural competence certificate.

Mission and Statement

No talking for the next five minutes. Thought exercise

Question number 1: If success was guaranteed what would be the end result?

Question number 2: who do we serve as the diversity committee

Question number 3: considering your answer to question one how do we get there?

Question number 4: what is our purpose as diversity committee?

Question number 5: Nowhere to be found!!!

It is our 2012 mission statement. In hopes of collaborating on a mission, are we doing what we are going to do?

Once a month, attend a meeting of multicultural organizations through open invitation.

To see how the orgs function and what they are doing.

Why do we exist?
